

We are finally opening!

The Winona Veterinary Hospital team is excited to announce that we are opening our doors for our clients back inside the building starting Monday April 12th. We want to thank all of our clients for their patience and understanding the past year during curbside.

Here is what you can expect when coming to the vet:

- Only two clients in an exam room with their pet(s)- please avoid bringing young children
- Six people in the waiting room at once
- Separate entry ways- our doors will be labeled for appointments Vs. pickup
- If your pet(s) is having bloodwork or X-rays done you will be asked to wait in your car for results
- Masks covering your mouth and nose are required
- If you are sick-stay home and reschedule
- Curbside is still available upon request

Please consider scheduling your Annual/Vaccine appointments 1-2 weeks out as we are very busy and doing our best to accommodate all of our patients needs. Again, we want to thank everyone for their patience through these changes.

-WVH Team
